Areas of Expertise: Disability Insurance, Employee Benefits, Health Care Insurance, Long-Term Care Insurance, 1099 Provision, Cafeteria Plans, Flexible Spending Arrangements, Health Savings Accounts, Medical Loss Ratio, State Exchanges, Employer-Provided Group Health Insurance, Estate Tax, Group Life and Disability Insurance Income, Life Insurance Death Benefit, Life Insurance Inside Build Up.

Diane Boyle joined the National Association of Insurance and Financial Advisors family in April of 1991 and serves as the association's chief federal lobbyist. Her responsibilities include the development and implementation of legislative and regulatory strategy, and daily execution of association activities to provide advocacy services for professional insurance and financial advisors in order to support a private, competitive insurance marketplace. Prior to expansion of health services to all NAIFA members in January 2010, Boyle served as the executive vice president for the Association of Health Insurance Advisors, the former health conference of NAIFA.
