## WHO IS JAY BELL?

Jay Bell, LUTCF, CLTC  
honored with Bernard L.  
Wilner award, 2006

*On May 22, 2007, we lost our friend, Jay A. Bell. Jay was President of the DC Association of Insurance & Financial Advisors and was serving as President of the Greater Washington Foundation of Insurance and Financial Advisors (GWFIFA) at the time of his death.*

*The Board of Directors of GWFIFA acted to honor and preserve his memory and his leadership and dedication to community service, by naming the Golf Tournament after him. His constant reminder to take the Foundation "to the next level" continues to drive our efforts. In 2018 the GWFIFA board voted to be known as the Helping Hands Society of Greater Washington but the mission of positively impacting the community remains the same.*

## Helping Hands Society Mission

*"Helping Hands Serving our Community"*

The Helping Hands Society of Greater Washington is dedicated to making a positive impact on the lives of citizens, especially children, in the Washington, DC area.

## CHARITIES WE SUPPORT

The **National Federation of the Blind** advances the lives of its members and all blind people in the United States. We know that blindness is not the characteristic that defines you or our future. Every day we raise the expectations of blind people, because low expectations create obstacles between blind people and our dreams. Our collective power, determination, and diversity achieve the aspirations of all blind people. [Learn more at nfb.org.](http://nfb.org)

**After School Enrichment Matters** – It is well-documented that students who participate in after-school activities have higher grades, are more engaged and are better connected with both the school and the community. Engaging kids early through after-school programming also keeps kids interested in school, allows for the development of mentorships and helps build students' self-confidence. [Learn more at arlc.org.](http://arlc.org)

In 2013, **SafeSpot Children's Advocacy Center of Fairfax** was established by a group of concerned citizens who understood the need for a coordinated response to investigating and prosecuting child abuse, while providing comprehensive support services to young survivors and their families. SafeSpot's core programs include forensic interviewing, family advocacy, and mental health therapy, as well as the coordination of Fairfax County's multidisciplinary team response to child abuse. Their mission is to provide a safe environment and support services for child abuse victims and their families as they navigate the investigation and aftermath of abuse. In 2023, SafeSpot served 650 children and their families. [Learn more at safespotfairfax.org.](http://safespotfairfax.org)
