BELONG TO YOUR Professional Association

As an industry professional that works in tandem with the insurance and financial services industry, your NAIFA membership shows that you are committed to fostering professional relationships for the with NAIFA members. Industry professionals work in a variety of different fields, but are most commonly seen in law, tax, estate planning, and health professions. Industry professionals join NAIFA to expand networking opportunities for business relationships. As an industry professional member, you receive many of the same benefits of membership as our producer members but are limited in the ability to hold certain leadership roles that are reserved for producers. You will enjoy:

- Networking and mentorship opportunities with a community of the best and most successful professionals in the business
- Access to invaluable resources and thought leaders through our network of members and partners
- Political advocacy to support your industry and professional success
- *Advisor Today* magazine subscription, members-only webinars, volunteer opportunities, writing/speaking opportunities, advocacy updates, and e-publications

QUICK FACTS:

One fee of \$500/year covers membership at the local, state, and national levels allowing you to easily build your network

Opportunities to exhibit your thought leadership and willingness to partner through blog contributions and more

Opportunity to be profiled in one of NAIFA's digital platforms
