

NAIFA in the Community

NAIFA Pennsylvania has a strong history of giving back to local charities that are important to our members and our clients. NAIFA PA's strong membership support, industry-leading programing and the annual golf outing not only provide the proceeds available to be a voice for our industry, but also provide the means to give back to the communities we serve.

Proceeds from the golf outing will help support the Bethesda Mission, Race for Will, and the Midwest Food Bank.

NAIFA

NAIFA is the only organization serving and representing insurance and financial advisors regardless of the products they sell or the focus of their practice. NAIFA is your professional association, and its focus is to protect your business, help you grow your business and promote ethical business conduct.
