*President and CEO of Ohio Business Roundtable*

Since January of 2018, former Congressman Pat Tiberi has served as President and CEO of the Ohio Business Roundtable. The membership of the Ohio Business Roundtable consists of over 90 presidents and CEOs of Ohio's top companies, 70 of which are headquartered in the state and one third of which are Fortune 1000 companies. Collectively, the members employ nearly 500,000 Ohioans and generate a revenue totaling over \$1.4 trillion.

Under Tiberi, the OBRT has grown in influence and membership, partners with like-minded business organizations and is focused on its core mission of economic development. Workforce development is a critical priority for OBRT members, and in 2019, Governor Mike DeWine appointed Tiberi Chair of the Governor's Executive Workforce Board.

During his 17-year tenure in the U.S. House representing central Ohio, Tiberi earned a reputation as a principled, policy-focused legislator who routinely worked across party lines, with a focus on healthcare, taxes and economic and trade policy.

Tiberi began his career in public service in the Ohio House of Representatives where he rose to the position of House Majority Leader.

Tiberi is a lifelong resident of central Ohio. Pat and his wife, Denice, are the proud parents of four daughters.
