"What's Next - From Washington to Wall Street"

Bob Sellers

TV Anchor, Public Relations Firm Executive, and Author

You may have seen Bob Sellers somewhere before, maybe interviewing Jeff Bezos, Mark Cuban, Barbara Corcoran, or a long list of other business leaders. Or on Capitol Hill, covering political developments from our nation's capital. Or reporting from Baghdad during the Iraq War, learning first-hand why democracy didn't take hold in the Middle East. Or maybe you've read his book about turning failure into success ("Forbes Best Business Mistakes"). Wherever it was, you've probably seen the Emmy-winning journalist's work somewhere, and Bob takes his 25 years of experience on TV and brings it to audiences in person, taking a non-partisan look at what's next in Washington, and on Wall Street, and how it could affect all of us on Main Street.

Emmy-winning journalist Bob Sellers takes a non-partisan look at what's next in Washington. With new leadership in the White House, there are fresh political battles playing out on Capitol Hill that could affect every American – as well as their investments. Bob will reveal what's going on inside the Beltway and how it will play out from Wall Street to Main Street -- with ideas on how to thrive with the inevitable change.
